

# BUYING A KITCHEN JUST GOT EASIER...

**THE DECISION TO INVEST IN A NEW KITCHEN REQUIRES THOROUGH RESEARCH, EXPERT ADVICE AND IN-DEPTH DISCUSSION.** ALL TOO OFTEN INSUFFICIENT CONSIDERATION IS GIVEN TO THE ESSENTIAL ASPECTS OF PLANNING SUCH AS DESIGN AND INSTALLATION, RESULTING IN UNSUITABLE CHOICES AND BUDGET OVERSPEND.

At Dewhirst whether you opt for a full planning and installation or delivery only service, the entire process is a comprehensive, professional and seamless experience.

ESTABLISHED FOR MORE THAN 50 YEARS AND OFFERING KITCHENS RANGING FROM £6,000-£60,000, DEWHIRST IS THE FIRST CHOICE FOR TOP-QUALITY AND EXCELLENT VALUE.

Their extensive range includes the recession-beating contemporary

'German Classic' kitchen package. Re-launched for 2011 and priced at a competitive £5,999 (including VAT), it offers hundreds of style and colour combinations including soft-close drawers and doors, gloss fronts and matt lacquered doors, as well as Neff appliances and basic installation.

What's more as a TrustMark accredited company and founding member of the KBSA, Dewhirst's clients can rest assured that every contract is covered by the invaluable KBSA Consumer Care Plus Insurance. This covers your

deposit, advance payments and work in progress, as well as a six year warranty in the unlikely event that they cease trading.

**NEW:** THROUGH COLLABORATION WITH 'DAVAL' OF YORKSHIRE, DEWHIRST IS NOW ALSO ABLE TO PROVIDE CLIENTS WITH FITTED BEDROOMS.

Option-i is a unique and innovative technology exclusive to Daval that enables Dewhirst to offer an unrivalled selection of styles, colours and finishes all with flexible made-

to-measure sizing. The result? The adaptability to create competitively priced individual furniture solutions that work around you, however current or classic your taste.

So if you're planning a home makeover, why not take the next step and visit Dewhirst's newly refitted 3 storey showroom based on Granby Street, Leicester.
